PROPERTY ASSESSMENT AND TAXATION

GENERAL INFORMATION

Both real and personal property are generally subject to *ad valorem* taxation; that is, they are taxed in proportion to their value. There are many deviations and exceptions to this general rule, however, and the treatment of real property (land, buildings, and fixtures) is quite different from that of personal property (all property other than real property). Furthermore, local government entities may impose charges on real property which are not *ad valorem* taxes, but which are billed on the property tax bill for efficiency of administration and collection. Taxes which constitute a lien on real property are referred to as "secured." Almost all real property taxes are secured. Most personal property taxes are "unsecured." Some taxes on personal property may also be secured to the real property of the assessee, upon request and subject to certain conditions.

In Los Angeles County, secured assessments are identified by a ten-digit Assessor's Identification Number (A.I.N.). The first four digits refer to an Assessor Mapbook, the next three to a page in that mapbook, and the last three to a parcel on that page. For example, A.I.N. 1234 005 016 would refer to Mapbook 1234, Page 5, Parcel 16. Typically, the A.I.N. corresponds to a legal lot or parcel. Sometimes a legal parcel may contain more than one A.I.N. or *vice versa*. An inquiry about a secured assessment or tax bill should always refer to the A.I.N. to assure correct identification of the property. Unsecured tax bills are identified by a Bill Number. Inquiries about unsecured taxes should refer to the Bill Number.

Liens for property taxes (except for Supplemental Taxes, below) attach on January 1 (the "Lien Date"), preceding the fiscal year for which they are levied. Legislation passed in 1995 changed the lien date from March 1 to January 1 effective January 1, 1997. The lien date applies to both real and personal property, secured or unsecured. Unsecured taxes are billed beginning mid-February and become delinquent August 31. Prior to billing, these taxes are liens not yet payable. Removal or sale of personal property after the lien date does not relieve the owner on the lien date of liability for the taxes. Taxes on personal property which have been secured to real property will appear on the bill for that real property and must be paid with it. The Tax Collector will not accept payment of taxes for real property unless payment is also made for personal property appearing on the same bill.

REAL PROPERTY APPRAISAL AND TAXATION--PROPOSITION 13

All real property (land, improvements and fixtures) in California is subject to Article XIII (A), placed in the Constitution by Proposition 13 of the election of June 6, 1978. This law is still commonly referred to as "Proposition 13." The purpose of Article XIII (A) is to stringently control the growth of real property taxes. It does so by the dual approach of restricting the tax rate to no more than one percent (with limited exceptions) of fair market value, and prohibiting reappraisal of property except upon change of ownership or completion of new construction. Newly constructed property is appraised at its market value upon the date of completion. Property values established upon change of ownership or completion of new construction are known as "base year values." These values cannot be increased more than a maximum of two percent per year (for inflation) until a subsequent change of ownership. At such time, new base year values equivalent to the then current fair market value will be established.

Proposition 13 allows the one percent tax rate to be exceeded as necessary to retire voter-approved bonded indebtedness incurred prior to its enactment. An amendment in 1986 expanded this exception to certain later-approved indebtedness. Nevertheless, in most of Los Angeles County the total tax rate does not exceed 1.25%.

There have been several propositions enacted since 1978 to provide tax relief by excluding certain types of changes in ownership from reassessment, by permitting transfers of lower base year values to newly acquired property, and by permitting recognition of declining property value. Under these provisions, assessees can transfer a lower base value to a new property if they are senior citizens or disabled, if the old property was acquired by a government entity, or if the old property was destroyed by misfortune or calamity. Transfers between spouses, between parents and children or grandparents and grandchildren may be excluded from reassessment.

New construction may be excluded from assessment if it is to improve seismic safety, to install fire suppression or escape equipment or to accommodate disabled persons. An exclusion for active solar energy heating and hot water system expired on January 1, 1995. Swimming pool and hot tub heaters, either solar or conventional, installed after January 1, 1991, are assessable at full cash value.

The various tax relief provisions summarized above are highly technical. Assesseees who believe they may be entitled to an assessment or reassessment exclusion, or that their property has declined in value should contact the appropriate Assessor's District Office.

SUPPLEMENTAL ASSESSMENTS

Proposition 13 introduced the policy of reassessment upon change of ownership or completion of new construction. The statutes in effect at the time of its enactment, however, only permitted the new base year values to be enrolled as of the first lien date (March 1 or January 1) following the reappraisable event. Subsequent legislation (Senate Bill 813 effective July 1, 1983) has required the Assessor to enroll the new base year value almost immediately. The difference between the old base year value, including its adjustment for inflation, and the new base year value is the "supplemental assessment." The difference can be either positive or negative. The supplemental assessment (or tax refund, if value has declined) is prorated based on the number of months remaining in the fiscal year which runs from July 1 to June 30. The lien for supplemental taxes attaches on the first day of the month following the month in which the reappraisable event occurs. When supplemental taxes are triggered by a change in ownership, they are billed to the new owner. Supplemental refunds are paid to the new owner since taxes based on the previous assessment are typically prorated in escrow.

Supplemental tax bills are sent directly to the property assessee, even though there may be a tax impound account with a mortgage lender. An assessee who receives a supplemental tax bill should not expect the lender to pay it from the impound account, unless the lender has specifically stated it will do so.

PERSONAL PROPERTY ASSESSMENT AND TAXATION

Personal property assessment and taxation is different from real property because of different assessment laws, and because of the different nature of personal property. Unlike real property (assessments of land, improvements and fixtures), Proposition 13 does not apply to personal property. Except for the fact that the tax rate is derived from the real property tax rate, the proposition has no impact on personal property taxation.

Personal Property is all property not specifically exempted by the Legislature that may be seen, weighed, measured, felt or touched, or which is in any manner perceptible to the senses except real estate and is capable of private ownership.

Unlike real property, the Legislature may, by a two-thirds vote, exempt personal property from taxation without specific approval of the electorate. The Legislature has used its authority to exempt large classes of property, such as business inventories, and to sharply limit assessment of others, such as certain documented vessels.

Personal property typically depreciates in value; therefore, assessments and taxes on the same personal property will likely decline from year to year. When an assessee receives a tax increase it is usually the result of added property or the replacement of old property with new.

Assessments of personal property are based on either a visual appraisal or information reported by the assessee on the annual Business Property Statement (Form BOE-571-L). Persons owning \$100,000 or more in taxable personal property are required by law to file a property statement with the Assessor. Every person owning personal property that does not require the filing of a property statement shall, upon the request of the Assessor, file a signed property statement. The property statement is to be filed between January 1 and May 7. If May 7 falls on a Saturday, Sunday or legal holiday, the filing deadline will be extended until the next business day.

Failure to file the property statement when required by law or requested by the Assessor, and willful or fraudulent concealment of property causing escape of taxes may result in penalties. Property statements of taxpayers engaged in a profession, trade or business with a full cash value of \$400,000 or more are audited at least once every four years.

EXEMPTIONS

California law provides for several property tax exemptions. Real property exemptions must be specifically set out in the Constitution, but the Legislature may, by a two-thirds vote, enact exemptions of personal property without specific constitutional authority.

Real property exemptions are available to qualifying property and owners, including homeowners, veterans, disabled veterans, churches and certain other religious facilities, colleges, charitable institutions, cemeteries, and consulates.

Personal property exemptions include government bonds, vessels of more than 50 tons burden used in the transportation of passengers or freight, business inventories, household furnishings, mortgages, personal property of various qualifying nonprofit entities, works of art, historical aircraft, cargo containers and numerous others.

Generally, real and personal property owned by the Federal, State and local government entities are exempt. Privately owned property leased to government may be exempt in some cases.

Property tax exemptions may be total (e.g., business inventories) or partial (e.g., homeowners). Most exemptions apply only to *ad valorem* property taxes, but not to special or direct assessments, so an exempt property owner may still be billed for such charges. Exemptions are subject to rigid filing deadlines. Assesseees who believe they are eligible for specific exemptions should contact the Office of the Assessor immediately to obtain information.

The following is general information on commonly used exemptions:

Homeowners: The homeowners' exemption, up to a maximum of \$7,000 of assessed value, is granted to the eligible owner of a dwelling they occupy as their principal place of residence on the lien date. To be eligible, the claimant must be an owner or co-owner of the property or the purchaser named in a contract of sale. The dwelling may be any place of residence subject to property tax. A dwelling does not qualify for the exemption if it is rented, vacant, under construction and unoccupied, or the vacation or secondary home of the claimant. Once granted, the exemption remains in effect until terminated. Once terminated, a new claim must be filed with the Assessor to regain the exemption. The assessee is responsible for notifying the Assessor that they are no longer entitled to the exemption.

Veterans: California law provides for the exemption from taxation of the property in the amount of \$4,000 to a qualified veteran or the unmarried widow or widower or pensioned parent of a qualified veteran. The exemption is not available to a claimant with total assets valued at \$5,000 or more, or a married claimant with total assets valued at \$10,000 or more. To determine eligibility, the market value of taxable real and personal and nontaxable personal property are used.

California property tax law also provides for an exemption of assessed value to property which is the principal residence of a veteran or the unmarried surviving spouse of a veteran who, because of injury or disease incurred in military service, is blind in both eyes, has lost use of two or more limbs, or is totally disabled. The following exemption levels and income limit apply to claims filed by February 15, 2006 for the 2006-2007 fiscal year. The claimant may be eligible for an exemption of up to \$103,107 if totally disabled (as defined by the United States Veterans Administration). Where household income for the prior year did not exceed \$46,307, an exemption of assessed value of up to \$154,661 is available. Once granted, the \$103,107 exemption remains in effect until terminated. Annual filing is required where the \$154,661 exemption is claimed. Beginning with the 1994-95 fiscal year, the disabled veterans' exemption includes the unmarried surviving spouse of a person who as a result of a service-connected injury or disease, died while on active duty in the military service and served in time of war or in time of peace in a campaign or expedition for which a medal has been issued by Congress.

Religious Uses: All buildings, including buildings under construction, and equipment used solely and exclusively for religious worship, including the land on which they are situated, and which is required for the convenient use and occupation of the buildings, may be exempted. No exemption is allowed on parsonages except under the welfare category. Properties used for religious purposes are not exempt from special assessments.

Welfare: Organizations operating as non-profit, charitable groups may request an exemption on property *owned* and *used* by the organization. This category is available for charitable, educational, scientific and religious groups meeting the requirements of Section 214 of the California Revenue and Taxation Code.

MISCELLANEOUS INFORMATION

Assessment Appeals: Assesseees have the right to appeal the assessments on their property to the Assessment Appeals Board. The Board is not a part of the Office of the Assessor. It is established under the authority of the Board of Supervisors. It has jurisdiction to resolve disputes about property values and closely related matters only. Assesseees present their cases to a formal three-man board or in some cases to a hearing officer. Assesseees who believe their assessments are incorrect should contact the Assessment Appeals Board at (213) 974-1471 for further information about filing an appeal. Information is also available on their Web site at <http://bos.co.la.ca.us/categories/PropertyTaxAppeals.htm>.

Taxpayer Obligations: The Assessor is authorized by law to require assesseees to provide information necessary to make an accurate assessment. Some specific examples are the Preliminary Change of Ownership Report (PCOR), the Change of Ownership Statement (COS), and the New Construction Statement (NCS).

PCOR: The Preliminary Change of Ownership Report may be filed with the Recorder whenever a document affecting title to real property is recorded. If the Report is not filed at this time, the Recorder will charge a fee of \$20.00, and the assessee will later have to file a Change of Ownership Statement (COS) directly with the Assessor.

COS: Anyone acquiring an interest in real property who did not file a Preliminary Change of Ownership Report (PCOR) must file a Change of Ownership Statement with the Assessor within 45 days of the date of the change in ownership. Failure to file a COS following demand by the Assessor will result in a penalty of not less than \$100 or more than \$2,500. This penalty becomes a lien on the property in question, legally equivalent to the lien for property taxes.

NCS: Property owners who take out a building permit to make additions or alterations to their property may receive a New Construction Statement (NCS) form from the Assessor. Information about the construction must be provided, and the form returned as indicated. Failure to return it may result in penalties.

Assessor Personnel Identification: Occasionally, it is necessary for an appraiser from the Office of the Assessor to visit and physically inspect property for assessment purposes. Appraisers carry photo identification cards. No person claiming to work for the Office of the Assessor should be admitted to an assessee's property if he or she cannot produce such identification. No assessee is required to admit an appraiser to any property not open to the public generally, although cooperation is ordinarily to the benefit of both the assessee and the Assessor.

Inspection of the Assessment Roll: The Assessment Roll is a public record, open to inspection at all times during regular business hours in all offices of the Assessor. It is displayed on microfiche. The new roll is completed each year in July or August, and is available for inspection upon delivery to the Auditor. Since completion dates vary somewhat from year to year, interested parties should inquire before coming to the office whether the new roll is available.

Tax Rate Areas: Each property is subject to taxation by a number of taxing entities; the County, typically a city, one or more school districts, and various other districts. The Auditor groups all properties subject to taxation by the same entities into Tax Rate Areas (TRAs). The TRAs are numbered, and appear on each tax bill following the Assessor's Identification Number. There are over 11,000 TRAs in Los Angeles County.

Senior Citizen Tax Postponement Program: Administered by the State Controller, this program allows a homeowner over age 62 with a household income of under \$24,000 to receive assistance from the State in paying property taxes. For information, call (800) 952-5661.

Homeowner Assistance Program: This program allows a once-a-year payment from the State of California to qualified individuals based on part of the property taxes assessed and paid on their homes. For the 2005 claim year, the maximum amount of assistance an eligible homeowner may receive is \$472.60, which is 139% of the property taxes paid of the first \$34,000 of full value of the home in 2004. You may be eligible to file a 2005 claim if you are a United States citizen, designated alien or qualified alien when you file your claim and you met the following criteria on December 31, 2004:

- You were 62 years of age or older, blind, or disabled.
- You owned and lived in your own home, and
- You had a total household income of \$39,699 or less.

Web site: <http://www.ftb.ca.gov/individuals/hra/index.html>

Direct Assessments: Direct assessments such as weed removal, landscape, flood control, garbage, sewer, water, building demolition, sidewalk repair, and lighting assessments, are listed separately on real estate tax bills, and are added to the *ad valorem* taxes to reach the total amount billed. For information about special assessments for municipal public works, contact the city clerk for the city making the assessment. You may also obtain contact information on the Auditor-Controller's Web site at <http://cmsapp.co.la.ca.us/auditor/queryfor.htm>.

TIME FOR PAYMENT OF TAXES

SECURED ROLL

Secured property taxes are a lien against real property. Tax levies cover the fiscal year period, July 1st to June 30th; for instance, the 1999 tax levy is for the fiscal year 1999-00. Taxes on the secured roll for the fiscal year 1999-00 become due and payable at the office of the County Tax Collector, 225 North Hill St., Los Angeles, as follows:

FIRST INSTALLMENT. All secured personal property tax and one-half of the taxes on real property are due November 1st. If the amount is not evenly divisible by two, the odd cent is also due and added to the first installment.

SECOND INSTALLMENT. The second half of taxes on real property is due February 1st. The entire tax on real property may be paid when the first installment is due, if desired. The second may be paid separately only if the first installment has been paid.

DELINQUENCY AND PENALTY

All taxes due on November 1st, if unpaid, are delinquent after December 10th, at 5 p.m., and the taxes due on February 1st, if unpaid, are delinquent after April 10th, at 5 p.m. If December 10th or April 10th falls on Saturday, Sunday, or a legal holiday, the time of delinquency is after 5 p.m. on the next business day. If mailed, it must be postmarked by midnight on December 10th or April 10th.

A delinquent penalty of ten percent (10%) of the amount unpaid is added to the first installment if unpaid by December 10th.

A delinquent penalty of ten percent (10%) of the amount unpaid is added to the second installment if unpaid by April 10th.

COSTS

A fee of ten dollars (\$10.00) for preparing and publishing the delinquent list is collected by the Tax Collector on each item on real estate remaining unpaid on April 10th.

In addition, any taxes remaining unpaid at the close of the fiscal year on June 30 will be transferred to the Tax Defaulted Roll, and the property will be subject to the power of sale.

UNSECURED ROLL

Unsecured personal property taxes are due and payable as of the lien date, which is the first of January of each year, and are payable to the County Treasurer and Tax Collector. Typical items assessed and collected on the unsecured tax roll include boats, airplanes, business property, escaped and supplemental assessments against former owners of real property. These taxes become delinquent, if unpaid, after August 31st at 5 p.m., when a penalty of ten percent (10%) is added. If August 31st falls on Saturday, Sunday, or a legal holiday, the 10% penalty does not attach until after 5 p.m. on the next business day. In addition to the 10% penalty, a collection fee will be assessed if the bill remains unpaid. If these taxes are not paid by October 31st, an additional penalty of 1 ½ percent per month will accrue, and a personal property lien may be filed. This lien prevents the assessee from recording real estate and loan transactions in Los Angeles County. In addition, most major credit reporting bureaus report the tax liens. For more information or to find out how to obtain a release of the lien, contact the Unsecured Personal Property Section at (213) 893-7935.

If you do not receive a bill by June 30th, you should immediately contact the Treasurer and Tax Collector's Office at (213) 893-7935 to determine if a bill was issued. Pursuant to State law, you are still liable for taxes and penalties if you fail to receive a bill.

Return the appropriate stub or stubs with your payment in the envelope provided. Checks and money orders must be drawn in U.S. currency and made payable to the Los Angeles County Tax Collector. Be sure the remittance has your name, address, map book, page and parcel number (shown in shaded areas on face of bill) and indicates which installment is being paid. Any checks returned unpaid for any reason by the bank cannot be redeposited. A replacement check must be received by the Tax Collector prior to the delinquency date or penalties will apply.

There is a \$50.00 service charge for any check returned by the bank for *any reason*. If the check is returned by the bank after the delinquency date, the Tax Collector must collect penalties as required by State law. When December 10, or April 10, falls on a Saturday, Sunday, or legal holiday, delinquency is after 5:00 P.M. on the following business day.

PROPERTY DEFAULTED FOR NON-PAYMENT OF TAXES

A list of tax-defaulted properties is published on or before the 8th of September following the 3rd year of default. Upon determination of the Board of Supervisors, the list is divided into groups by map book and each group is published within its respective area. Each publication will state the date when the delinquent properties were tax-defaulted for nonpayment of taxes and the amount for which each property was defaulted.

On or before June 8th each year, there is a publication of a list of properties with any portion of the taxes unpaid for a period of five years or more. These properties will become "Subject to Power to Sell" on July 1st unless they are redeemed in full or have an Installment Plan for Redemption initiated prior to July 1st as required by law. This publication is divided in the same manner as the Delinquent Tax List.

For residential properties, five years after the first year of declaration of default, the property will become "Subject to Power to Sell" and will subsequently be sold at public auction if taxes are not paid. The total amount to pay the delinquent taxes includes all applicable penalties and costs as authorized by the State law. Current monthly redemption penalties are 1 ½ percent of the balance due. Redemption fees are \$15.00. Costs will vary depending upon expenditures applicable to the date of redemption.

Changes were made to the Revenue and Taxation Code that went into effect on January 1, 2005 that states that commercial property will default with Power to Sell after three years.

Property that has become "Subject to Power to Sell" must be paid in cash, cashier's check or bank issued money order. Property that has not become "Subject to Power to Sell" may be redeemed in installments if the delinquent status does not exceed five years.

REDEMPTION PENALTIES

Five years after the first year of declaration of default, the property will become "Subject to Power to Sell" and will subsequently be sold at public auction if taxes are not paid. The total amount to pay the delinquent taxes includes all applicable penalties and costs as authorized by State law. Current monthly redemption penalties are 1½ percent of the balance due. Redemption fees are \$15.00. Costs will vary depending upon expenditures applicable to the date of redemption.

Property that has become "Subject to Power to Sell" must be paid in cash, cashier's check or bank issued money order. Property that has not become "Subject to Power to Sell" may be redeemed in installments if the delinquent status does not exceed five years.

INSTALLMENT PLAN OF REDEMPTION FOR REAL PROPERTY

For those unable to redeem in full, an installment payment plan is permissible which allows payments to extend over a period of four years after the plan is opened. Properties which have become "Subject to Power to Sell" are not eligible for installment plans.

A \$75.00 fee is required to open an installment plan of redemption. The first payment consists of a minimum of 20% of the amount required for a complete redemption; and if the account is opened between April 10 and June 30 of any year, the current taxes must first be paid in full. Subsequent payments must be 20% or more of the redemption amount, plus interest on the unpaid balance at 1½% per month.

Payments may be made as often as desired and in larger amounts, and the unpaid balance plus interest may be paid at any time.

AT LEAST ONE PAYMENT MUST BE MADE EACH FISCAL YEAR BETWEEN JULY 1 AND THE FOLLOWING APRIL 10 AND THE CURRENT TAXES MUST BE PAID IN FULL EACH YEAR ON OR BEFORE APRIL 10 TO KEEP THE ACCOUNT IN GOOD STANDING.

Upon failure to make any of the payments as required, the right to continue under the installment plan will be terminated. If a plan is terminated, a new plan may be opened the following fiscal year. The law allows the opening of an installment plan once each fiscal year prior to the property becoming "Subject to Power to Sell." Under no circumstances may an installment plan be opened if the property is "Subject to Power to Sell." Contact the office of the Tax Collector at (213) 974-2111 for further information.

SOLDIERS' AND SAILORS' CIVIL RELIEF ACT (FEDERAL)

The United States Code Annotated, Title 50, Sections 501, et seq., provide that:

Taxes and assessments accruing during the period of military service, apply whether they are due prior to, or during, the period of such services. They also apply to personal property, money, credits, or real property owned and occupied for dwelling, professional, business or agricultural purposes by a serviceman at the commencement of the period of service and are still so occupied by his dependents or employees.

Enforcement by the collector is prohibited except by leave of court, which may be enforced up to six months after termination of the period of service. Although no longer required, an affidavit disclosing evidence that the property owner is entitled to benefits of the act should be filed in the office wherein taxes or assessments are collected.

Whenever any tax or assessment is not paid when due, such tax or assessment due and unpaid shall bear interest until paid, at the rate of 6% per annum, and no other penalty or interest shall be incurred by reason of such nonpayment. Any lien for such unpaid taxes or assessment shall also include interest.

Under provisions of the Federal Soldiers and Sailors Civil Relief Act, active military personnel, regardless of the duration of military service or financial status, qualify for a reduction in the interest charged on unpaid delinquent taxes. The law further prevents the sale of tax-defaulted property. If you qualify or have any questions call (888) 807-2111.

MUNICIPAL TAXES COLLECTED BY COUNTY

Sections 51500 to 51519 of the Government Code, for any city, and Sections 51540 to 51561, an alternative procedure for chartered cities, permit the levy and collection of city taxes by county officials. They also define the duties of certain city and county officers, provide for the consolidation and abolition of certain municipal offices, and fix the maximum compensation to be allowed for the services rendered to such municipality.

Under these provisions, the County of Los Angeles assesses property, and collects the taxes for all of its 88 incorporated cities.

DUTIES OF CITY AND COUNTY OFFICIALS

Any general law city, or chartered city if its charter so provides, may elect by ordinance adopted by the legislative body, or the electors, that the duties of assessing property and collecting taxes of the city shall be performed by the County Assessor and the County Tax Collector. A certified copy of such ordinance shall be filed with the County Auditor-Controller on or before the first Monday in February following the adoption of such ordinance.

On or before the third Monday in August, the County-Auditor must transmit to the legislative body of such city a statement in writing showing the total value of all property within each such city, as ascertained from the assessment books of the County. Thereupon, before September 1, the legislative body of such city shall fix the rate of taxes required on each \$100 assessed valuation, and immediately thereafter transmit to the County Auditor-Controller a statement of such rate or rates so fixed by said body. The Auditor then computes and enters in the assessment book the municipal tax, using the rate fixed by the municipal board and the assessed value as found in such assessment book. Such taxes so levied are collected at the same time and in the same manner as county taxes. The amount thereof, is paid to the treasurer of the municipality by warrant of the County Auditor-Controller.

MISCELLANEOUS PROVISIONS

Other sections to which the reader is referred for further details provide for the collection of unpaid taxes, the abolishing of the offices of city assessor and tax collector, the duties of the treasurer, etc.

GENERAL INFORMATION
WHERE TO OBTAIN INFORMATION

Inasmuch as matters pertaining to the levy and collection of the various kinds of taxes must of necessity be handled by several departments of the County government, and in order that taxpayers seeking information may be served promptly and efficiently, the following suggestions are offered for their guidance:

1. ASSESSOR: Questions pertaining to valuations of property, church and veterans' exemptions, changes of assessment, etc., should be addressed to this office. All valuations are fixed by the Assessor and not by the Auditor-Controller. The assessment roll is prepared by the Assessor and as soon as completed, delivered to the County Auditor-Controller.

2. ASSESSMENTS APPEALS*:

Application forms for assessment appeals may be obtained, free of charge, from the Assessment Appeals Board, County of Los Angeles, Room B-50, Kenneth Hahn Hall of Administration, 500 W. Temple Street, Los Angeles, CA 90012; telephone number: (213) 974-1471. Questions concerning the appeals process are answered here as well.

Completed applications must be filed in a timely manner with the Assessment Appeals Board. The regular filing period is from July 2 through November 30. Applications to appeal Supplemental Assessments can also be filed within 60 days of the mailing date shown on the Supplemental Tax Bill.

The Assessment Appeals Board is not part of the Assessor's Office. Members of the Assessment Appeals Board are appointed by the Los Angeles County Board of Supervisors. The Assessment Appeals Board acts as the County Board of Equalization on behalf of the Board of Supervisors and conducts impartial hearings on property assessment disputes between assesses and the County Assessor. All changes in assessments as a result of such hearings are reported monthly to the County Auditor-Controller.

3. AUDITOR-CONTROLLER: The County Auditor-Controller receives the assessment roll from the County Assessor and extends the taxes thereon, after which the extended roll is delivered to the Tax Collector for collection. Questions pertaining to district valuations, tax rates, tax levies, bond issues, bond requirements, etc., should be addressed to the County Auditor-Controller.

4. TAX COLLECTOR: The Tax Collector prepares and distributes the tax bills. The amount shown thereon is taken from the extended roll in total. Questions pertaining to tax redemption's and tax sales should be addressed to the Secured Property Division of the County Tax Collector's Office.

5. SPECIAL COUNTY DISTRICTS: Many inquiries for information relative to special districts of the County are misdirected, resulting in delay and annoyance to the taxpayer. Questions pertaining to matters other than taxation of the following special districts, should be addressed as shown.

IRRIGATION DISTRICTS

Numerous inquiries have come to the Auditor-Controller's Office relative to Irrigation Districts formed by order of the Board of Supervisors under the provisions of Acts of the Legislature of the State of California, (Stats. 1887 and Stats. 1897, superseded by Division 11 of the Water Code). The Act of 1887 was repealed by the Act of 1897. The Littlerock Creek District was created under provisions of the Act of 1887; the other districts under provisions of the Act of 1897. In response to these requests, we have compiled a directory of the Irrigation Districts within Los Angeles County.

- (1) Antelope Valley and Quail Lake were consolidated effective April 28, 1966.
- (2) All of Ventura County valuations that were formerly in West Los Angeles has been transferred to Santa Monica Mountains-Resource Conservation District as of December, 1976.

La Canada, Littlerock Creek, Palmdale and Palm Ranch turned over the duties of Assessor/Collector to the County of Los Angeles and appear on the assessment roll of the County and are included in your County tax bill. Assessments for Kinneloa and South Montebello are levied and collected by officers of the districts and therefore is not included in your County tax bill. COUNTY IMPROVEMENT DISTRICTS

County Improvement Districts may be formed under the Improvement Act of 1911 or the Municipal Improvement Act of 1913. Once the district is formed, bonds may be sold in accordance with the Improvement Act of 1911 or the Improvement Bond Act of 1915.

The law permits the improvement of streets in the County, outside of incorporated cities, by the construction of curbs, sidewalks, gutters, pavements, sewers, ornamental lighting, etc. The cost of this work is assessed by the Board of Supervisors directly against the property affected. The owner of the property so assessed may pay the full amount of the assessment within thirty days after the assessment is recorded; otherwise, the costs automatically go to bond against the property.

1911 Act bonds are usually payable over 10 years, with equal principal payments due October 15th of each year and interest due each October 15th and April 15th. The October 15th principal and interest payments are delinquent if not paid by the following December 1st and the April 15th interest payment is delinquent if not paid by the following June 1st.

1915 Act bonds are usually payable over 20 years, with approximately equal annual payments included on the regular property tax bill. The property tax bill is billed in two installments each fiscal year, with the first installment due November 1st and delinquent if not paid by December 10th and the second installment due February 1st and delinquent if not paid by April 10th.

Bonds may be paid in full at any time by paying the principal balance due on the bond with accrued interest to date and all penalties plus a premium of 3% to 5% of the outstanding principal.

C.I. 2629R2, C.I. 2656M and CI2658M are issued under the provisions of the Improvement Bond Act of 1915. All other C.I. districts listed are issued under the provisions of the Improvement Act of 1911.
