Independent Auditor's Report

To the Honorable Board of Directors
Puente Hills Habitat Preservation Authority
Whittier, California

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying basic financial statements of the Puente Hills Habitat Preservation Authority (the "Authority") as of and for the fiscal year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents. In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Authority, as of June 30, 2022, and the changes in its financial position and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 and 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated April 6, 2023 on our consideration of the Authority's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2022

Management's discussion and analysis (MD&A) of the Puente Hills Habitat Preservation Authority (the Authority) provides a narrative overview of the Authority's financial activities for the fiscal year ended June 30, 2022. Please read it in conjunction with the accompanying financial statements, footnotes, and supplementary information.

Financial Highlights

- During the current fiscal year, the Authority's net position decreased by \$7.28 million to \$68.01 million.
- The Authority has investments of \$24.93 million in various government securities that have interest rates ranging from 2.00% to 2.50%.
- Operating revenues increased by \$0.50 million to \$0.61 million and operating expenses decreased by \$0.15 million to \$2.14 million.

Overview of Financial Statements

This MD&A serves as an introduction to the Authority's basic financial statements. The basic financial statements include four components: 1) Statement of Net Position; 2) Statement of Revenues, Expenses, and Changes in Net Position; 3) Statement of Cash Flows; and 4) Notes to the Financial Statements.

- The Statement of Net Position presents all the Authority's assets and liabilities, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator to determine whether the financial position of the Authority is improving or deteriorating.
- The Statement of Revenues, Expenses, and Changes in Net Position presents information showing how the Authority's net position changed during the fiscal year. All changes in net position (revenues and expenses) are reported when the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Accordingly, revenues and expenses are reported in this statement for items that will result in cash flows in future fiscal periods (e.g. accrued but unpaid contract and professional service fees).
- The Statement of Cash Flows presents information regarding the Authority's use of cash during the fiscal year and is an indicator of whether or not sufficient cash flow is being generated during the fiscal year to meet the operating needs of the Authority.
- The notes provide additional information that is essential for a full understanding of the data provided in the financial statements.

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2022

Financial Statement Analysis

Since its formation, Net Position of the Authority has gradually grown from \$1.8 million to about \$68.01 million. Most of the growth in Net Position has been attributable to the Authority's acquisition of land and related capital assets. Operating revenues increased from \$0.11 million as of June 30, 2021, to \$0.61 million as of June 30, 2022. The operating revenues consisted primarily of grants from state and local governments, oil rights revenue, reimbursement of expenses, site mitigation fees, and donations. Operating expenses decreased from \$2.29 million as of June 30, 2021, to \$2.14 million as of June 30, 2022. Operating expenses consisted primarily of contract and professional service fees, salaries and benefits, and administrative expenses.

The Authority's Net Position was \$68.01 million as of June 30, 2022, compared to \$75.29 million as of June 30, 2021. Net Investments in Capital Assets accounted for \$35.76 million of the total Net Position. Liabilities were \$0.78 million as of June 30, 2022, compared to \$0.32 million as of June 30, 2021.

Capital Assets

As of June 30, 2022, the Authority's capital assets consisted of \$35.76 million in land, \$0.43 million in buildings, and \$0.43 million in accumulated depreciation.

Debt Administration

As of June 30, 2022, the Authority had no outstanding debt.

Economic Factors

Due to the global pandemic and subsequent economic crisis, the Authority's specific portfolio investments have been significantly affected resulting in a significant revenue decrease for the Authority. As a result, the operating budget of the Authority has been decreased to partially mitigate the impact. The Authority is seeking and exploring additional revenue streams such as environmental mitigation fees from regional projects, a financing mechanism, grants, and short-term portfolio investments. It was successful in recapturing partial back payments from the City of Whittier funded through the Los Angeles County Proposition A maintenance and servicing (M&S) allocation for fiscal years 2011-2015. The Authority was successful in obtaining two grants for fiscal year 2021-2022, one from the Rivers and Mountains Conservancy (RMC) and the other from CalFire, which will help to mitigate partial revenue shortfalls. Also, it was successful in being awarded another RMC grant for the fiscal year 2022-2023.

The Authority is adjusting the grant guideline amendments made in the spring of 2021 by Los Angeles County Regional Parks and Open Space District regarding Measure A M&S funding. Additionally, further Measure A grant guideline amendments made in early 2022 by the County will prohibit the Authority from using its annually allocated M&S funds on Proposition A purchased property that it manages (City of Whittier-owned property) starting fiscal year 2022-2023. The City of Whittier has committed reimbursement through the City's M&S allocation for expenditures on

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2022

their land which is managed by the Authority, which will partially assist with some costs. Additionally, the Authority is responding to recent direction from the County to correct qualification for M&S funding on land it owns, Sycamore Canyon. This will have significant impacts on the budget which the Authority is in the process of analyzing.

The budget, investments, other revenue sources, and expenditures will be closely monitored by the Authority moving forward to maintain solvency.

Contacting the Authority's Financial Management

This financial report is designed to provide our citizens and other interested parties with a general overview of the Authority's finances and to demonstrate the Authority's accountability for the money it receives. If you have any questions about this report or need additional financial information, contact the County of Los Angeles, Department of Auditor-Controller, 500 West Temple Street Room 525, Los Angeles, CA 90012.

NOTES TO THE BASIC FINANCIAL STATEMENTS

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The Puente Hills Habitat Preservation Authority (Authority) was formed on February 15, 1994, as a joint powers authority by the County of Los Angeles, certain County Sanitation Districts, and the City of Whittier. The Authority was established for the purpose of acquiring, restoring, and/or maintaining additional open space lands in the La Puente/Whittier Hills area in order to create or preserve native habitat areas. Additionally, the Authority will give special consideration to land acquisitions, habitat restoration, trailhead construction, and recreational and/or educational amenities on open space lands within and for the benefit of the community of Hacienda Heights. It serves as a condition of approval to address impacts on oak tree resources and natural open space resulting from the operation of the Puente Hills Landfill. The term of the Authority will continue indefinitely unless cancelled by the County of Los Angeles (County), certain County Sanitation Districts, and the City of Whittier. The Authority is governed by a Board of Directors composed of four appointed directors: one by the Board of Directors of the Sanitation Districts, one by the County, one by the supervisor representing the Supervisorial District which geographically includes the Puente Hills Landfill, and one by the City of Whittier. The Authority is legally separate and fiscally independent from each of the member entities. This means it can incur debt, set, and modify its own budget and fees, enter into contracts, and sue and be sued in its own name.

The accompanying financial statements reflect the financial activities of the Authority. The Authority has no component units.

B. Significant Accounting Policies

The Authority's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental agencies. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

Basis of Accounting and Measurement Focus

The Authority is accounted for as an enterprise fund (proprietary fund type). A fund is an accounting entity with a self-balancing set of accounts established to record the financial position and results of operations of a specific governmental activity. The activities of enterprise funds closely resemble those of ongoing businesses in which the purpose is to conserve and add to basic resources while meeting operating expenses from current revenues. Enterprise funds account for operations that provide services on a continuous basis and are substantially financed by revenues derived from user charges. The Authority utilizes the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when the liability is incurred.

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

B. Significant Accounting Policies (Continued)

Proprietary funds distinguish operating revenues and expenses from nonoperating items. The principal operating revenues of the Authority are contributions from the Regional Park and Open Space District, state grants, donations, and site mitigation fees. Operating expenses include administrative expenses and contract and professional service fees. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

The Authority's financial statements are presented in accordance with the provisions of GASB Statement No. 34, *Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments* and GASB Statement No. 63 – *Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position*. Statement No. 34 established standards for external financial reporting for all state and local governmental entities and Statement No. 63 established standards for reporting deferred outflows of resources, deferred inflow of resources, and net position in a statement of financial position. The net position is required to be classified into three components – net investment in capital assets; restricted; and unrestricted. These classifications are defined as follows:

Net investment in capital assets – This component of net position consists of capital assets, including restricted capital assets, net of accumulated depreciation and is reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt. Rather, that portion of the debt is included in the same net position component as the unspent proceeds.

Restricted net position – This component of net position represents restricted assets net of liabilities that relate to those specific restricted assets. A restricted asset is an asset for which constraints have been placed on the asset's use by creditors, contributors, laws, or regulations of other governments, or as a governing body at the time a particular fee, charge, levy, or assessment was approved. These restrictions must be narrower than the general purposes for which the reporting government can use its resources.

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

NOTE 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

B. Significant Accounting Policies (Continued)

Unrestricted net position – This component of net position consists of net position that does not meet the definition of “restricted” or “net investment in capital assets.”

See note 3 for additional disclosures regarding net position.

C. Revenue Recognition

Revenue is recognized on the accrual basis of accounting and donation revenue is recognized according to the conditions of the promise.

D. Land

Acquisition of land and buildings and improvements are recorded at cost or, if donated, at fair value at date of donation. Land basically consists of open space acquired in accordance with the joint powers agreement that created the Authority. Buildings and improvements consist of houses and improvements that were located on the land at the time of purchase or donation. When land and buildings and improvements are sold or otherwise disposed of, related costs are removed from the accounts and any gain or loss is reported in the statement of revenues, expenses, and changes in net position.

E. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

F. Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash represents balances that can be readily withdrawn without substantial notice or penalty. Cash equivalents are defined as short-term, highly liquid investments that are both readily convertible to known amounts of cash or so near their maturity that they present insignificant risk of changes in value because of changes in interest rates and have an original maturity date of three months or less.

G. Lease Liability

As a lessee, a lease is defined as a contractual agreement that conveys control of the right-to-use another entity’s nonfinancial asset, for a minimum contractual period of greater than one year, in an exchange or exchange-like transaction. The Authority has no lease liabilities that meet the criteria to be recognized at June, 30, 2022.

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

NOTE 2 CASH AND INVESTMENTS

In accordance with the Joint Powers Authority (JPA) agreement and Government Code, cash balances of the Authority are deposited with and pooled and invested by the County Treasurer and Tax Collector (Treasurer) for the purpose of increasing interest earnings through investment activities. Interest earned on pooled investments is deposited to participating funds based upon each fund's average daily balance during the allocation period. The Authority maintains a deposit account for donations with Wells Fargo Bank which at June 30, 2022 had a balance of \$1,725.

California Government Code Sections 53601 and 53635 authorize the Treasurer to invest the External Investment Pool (Pool) and Specific Purpose Investment (SPI) funds in obligations of the United States Treasury, federal agencies, municipalities, asset-backed securities, bankers' acceptances, commercial paper, negotiable certificates of deposit, medium-term notes, corporate notes, repurchase agreements, reverse repurchase agreements, forwards, futures, options, shares of beneficial interest of a JPA that invests in authorized securities, shares of beneficial interest issued by diversified management companies known as money market mutual funds registered with the Securities and Exchange Commission, securities lending agreements, the State of California's Local Agency Investment Fund, and supranational institutions. California Government Code Section 53534 authorizes the Treasurer to enter into interest rate swap agreements. However, these agreements should only be used in conjunction with the sale of the bonds approved by the Board of Supervisors. As permitted by the California Government Code, the Treasurer developed, and the Board of Supervisors adopted, an Investment Policy that further defines and restricts the limits within which the Treasurer may invest. The investments are managed by the Treasurer, which reports investment activity to the Board of Supervisors on a monthly basis. In addition, the Treasurer's investment activity is subject to an annual investment policy review, compliance oversight, quarterly financial review, and annual financial reporting by the County. The Treasurer also maintains Other Specific Investments, which are invested pursuant to Section 1300.76.1, Title 28, California Code of Regulations. The County has not provided nor obtained any legally binding guarantees during the fiscal year ended June 30, 2022, to support the value of shares in the Pool.

Also, the Authority's Memorandum of Understanding (MOU) with the Treasurer, executed in May 2011, enables the County to make investments for the Authority using the SPI program that is within the guidelines of the County's investment policy. Section III of that MOU instructs the Authority to create its own investment policy or adopt that of the County, either of which shall be approved by the Authority on an annual basis. The investment policy needs to comply with the California Government Code and Education Code and may not be less restrictive than the Treasurer's investment policy. The Authority's Board annually adopts the County's investment policy. The investments are managed by the Treasurer, which reports investment activity to the Authority's Board on a monthly basis.

Disclosures Relating to Interest Rate Risk

Cash and investments as of June 30, 2022, are classified in the accompanying financial statements as follows:

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

NOTE 2 CASH AND INVESTMENTS (Continued)

Statement of Net Position:

Cash on deposit	\$	7,330,155
Restricted cash on deposit with County Treasurer		263,179
Investments		<u>24,929,859</u>
Total cash and investments	\$	<u>32,523,193</u>

Cash and investments as of June 30, 2022, consist of the following:

Demand deposits - outside bank	\$	<u>1,725</u>
Total demand deposits		<u>1,725</u>
Cash and investments with County Treasurer		7,328,430
Restricted cash and investments on deposit with County Treasurer		263,179
Investments		<u>24,929,859</u>
Total Investments		<u>32,521,468</u>
Total cash and investments	\$	<u>32,523,193</u>

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. One of the ways that the Authority manages its exposure to interest rate risk is by purchasing a combination of shorter term and longer-term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Information about the sensitivity of the fair value of the Authority's investments to market interest rate fluctuations is provided by the following table that shows the distribution of the Authority's investments by maturity:

Investment Type	Fair Value	Remaining Maturity (in Months)		
		12 Months or Less	13 - 60 Months	More than 60 Months
Cash and Investments with County Treasurer	\$ 7,591,609	\$ 7,591,609	\$ -	\$ -
Federal Agency Securities	24,929,859			24,929,859
Total	<u>\$ 32,521,468</u>	<u>\$ 7,591,609</u>	<u>\$ -</u>	<u>\$ 24,929,859</u>

PUENTE HILLS HABITAT PRESERVATION AUTHORITY
NOTES TO THE BASIC FINANCIAL STATEMENTS
June 30, 2022

NOTE 2 CASH AND INVESTMENTS (Continued)

Disclosures Relating to Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by (where applicable) the California Government Code or the Authority's investment policy, and the actual rating as of fiscal year end for each investment type (Standard & Poor's).

Investment Type	Fair Value	Minimum Legal Rating	Ratings as of Fiscal Year End			
			AAA	AA+	AA AA- A+, A-	Not Rated
Cash and Investments						
with County Treasurer	\$ 7,591,609	N / A	\$ -	\$ -	\$ -	\$ 7,591,609
Federal Agency						
Securities	24,929,859	N / A		24,929,859		
Total	\$ 32,521,468		\$ -	\$ 24,929,859	\$ -	\$ 7,591,609

Concentration of Credit Risk

The investment policy of the Authority contains limitations on the amount that can be invested in any one issuer beyond that stipulated by the California Government Code. Investments (other than external investment pools) in any one issuer that represent 5% or more of total Authority's investments are as follows:

Issuer	Investment Type	Reported Amount	Maturity	Interest Rate
Federal Farm Credit Bank	Federal Agency Securities	\$ 18,222,764	2042	2.50%
Federal Home Loan Mortgage Corporation	Federal Agency Securities	6,707,095	2044	2.00%

Investments are stated at fair value and are valued on a monthly basis. The Treasurer categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. Securities classified in Level 1 of the fair value hierarchy are valued using prices quoted in active markets for those securities. Securities classified in Level 2 of the fair value hierarchy are valued using other observable inputs such as matrix pricing techniques or based on quoted prices for assets in markets that are not active. Matrix pricing is used to value securities based on securities' relationship to benchmark quoted prices. Level 3 inputs are significant unobservable inputs. Securities classified in Level 3 are valued using the income approach such as discounted cash flow techniques. Investments in an external government investment pool are not subject to reporting within the level hierarchy.

NOTE 2 CASH AND INVESTMENTS (Continued)

See the County’s Annual Comprehensive Financial Report for disclosures related to cash and investments and the related interest rate risk, credit rate risk, custodial risk, and concentration risk.

Funds deposited in the County Treasury Pool amounted to \$7,591,609 as of June 30, 2022; however, this external pool is not measured under Level 1, 2, or 3. This represents less than 0.02% of the total Treasury Pool.

Fair Value Measurements

The Authority categorizes its fair value measurement within the fair value hierarchy established by generally accepted accounting principles. These principles recognize a three-tiered fair value hierarchy as follows:

- Level 1: Investments reflect prices quoted in active markets;
- Level 2: Investments reflect prices that are based on a similar observable asset either directly or indirectly, which may include inputs in markets that are not considered active; and
- Level 3: Investments reflect prices based on unobservable sources.

The Authority has the following recurring fair value measurements as of June 30, 2022:

	Total	Fair Value Measurement Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments by Fair Value				
Federal Agency Securities	\$ 24,929,859	\$ -	\$ 24,929,859	\$ -
Total investments measured at fair value	<u>\$ 24,929,859</u>	<u>\$ -</u>	<u>\$ 24,929,859</u>	<u>\$ -</u>

The investment activity of the Authority with the County Treasurer occurs separately from the County’s investment pool and is reported as a Specific Purpose Investment on behalf of the Authority.

NOTE 3 NET POSITION

Net position at June 30, 2022 consisted of the following:

Net Investment in Capital Assets	\$ 35,759,977
Restricted Net Position *	263,179

NOTE 5 COMMITMENTS AND CONTINGENCIES

The Authority leases its office space from the City of Whittier (City). In August 2021, the Authority signed a lease renewal for the office space in the City, effective from August 1, 2021 through July 31, 2026, with an option to renew for two consecutive five year terms. According to the lease agreement, the base rent will start at \$471.68 per month and will be adjusted annually, based on the Authority's proportionate share of the operating expenses incurred by the City. On August 23, 2022, the lease agreement was amended to change the base rent to \$1 annually, commencing August 23, 2022. The lease does not meet the criteria for being recorded under Governmental Accounting Standards Board Statement No. 87 "Leases".

The Authority's personnel are employees of the City. Their CalPERS benefits and related pension liabilities are disclosed in the City's financial statements.

NOTE 6 CONTINGENT LIABILITIES

Claims and suits have been filed against the Authority in the normal course of business. The outcome of these matters is not presently determinable. However, in the opinion of management, the resolution of these matters is not expected to have a significant impact on the financial condition of the Authority.
