## PROPERTY ASSESSMENT AND TAXATION

### GENERAL INFORMATION

Both real and personal property are generally subject to *ad valorem* taxation; that is, they are taxed in proportion to their value. There are many deviations and exceptions to this general rule, however, and the treatment of real property (land, buildings, and fixtures) is quite different from that of personal property (all property other than real property). Furthermore, local government entities may impose charges on real property which are not *ad valorem* taxes, but which are billed on the property tax bill for efficiency of administration and collection. Taxes which constitute a lien on real property are referred to as "secured." Almost all real property taxes are secured. Most personal property taxes are "unsecured." Some taxes on personal property may also be secured to the real property of the assessee, upon request and subject to certain conditions.

In Los Angeles County, secured assessments are identified by a ten-digit Assessor's Identification Number (AIN). The first four digits refer to an Assessor Mapbook, the next three to a page in that Mapbook, and the last three to a parcel on that page. For example, AIN 1234-005-016 would refer to Mapbook 1234, Page 5, Parcel 16. Typically, the AIN corresponds to a legal lot or parcel. Sometimes, a legal parcel may contain more than one AIN or *vice versa*. An inquiry about a secured assessment or tax bill should always refer to the AIN to assure correct identification of the property. Unsecured tax bills are identified by a Bill Number. Inquiries about unsecured taxes should refer to the Bill Number.

Annual liens for property taxes (except for separate Supplemental Tax Assessments, described on Page 2) attach on January 1 (the "Lien Date"), preceding the Fiscal Year (FY) for which they are levied. Legislation passed in 1995 changed the lien date from March 1 to January 1 effective January 1, 1997. The lien date applies to both real and personal property, secured or unsecured. Unsecured taxes are billed annually beginning mid-February and become delinquent August 31. Prior to billing, these taxes are liens not yet payable. Removal or sale of personal property after the lien date does not relieve the owner on the lien date of liability for the taxes. Taxes on personal property which have been secured to real property will appear on the bill for that real property and must be paid with it. The Treasurer and Tax Collector will not accept payment of taxes for real property unless payment is also made for personal property appearing on the same bill.

### REAL PROPERTY APPRAISAL AND TAXATION - PROPOSITION 13

All real property (land, improvements, and fixtures) in California is subject to Article XIII (A), placed in the Constitution, resulting from the passage of Proposition 13 with the election of June 6, 1978. This law is still commonly referred to as "Proposition 13." The purpose of Article XIII (A) is to stringently control the growth of real property taxes. It does so by the dual approach of restricting the tax rate to no more than 1% (with limited exceptions) of fair market value, and prohibiting reappraisal of property except upon new construction or change of ownership. Newly constructed property is appraised at its market value upon the date of

completion. Property values established upon change of ownership or completion of new construction are known as “base year values.” These values cannot be increased more than a maximum of 2% per year (for inflation) until a subsequent change of ownership. At such time, new base year values equivalent to the then-current fair market value will be established.

Proposition 13 allows the 1% tax rate to be exceeded as necessary to retire voter-approved bonded indebtedness incurred prior to its enactment. An amendment in 1986 expanded this exception to certain later-approved indebtedness. Nevertheless, in most of Los Angeles County, the total tax rate does not exceed 1.25%.

There have been several propositions enacted since 1978 to provide tax relief by excluding certain types of changes in ownership from reassessment, by permitting transfers of lower base year values to newly acquired property, and by permitting recognition of declining property value. Under these provisions, and under certain criteria, assesseses can transfer a lower base year value to a new property if they are senior citizens or disabled, if the old property was acquired by a government entity, or if the old property was destroyed by misfortune or calamity. Transfers between spouses, between parents and children, or between grandparents and grandchildren may be excluded from reassessment.

New construction may be excluded from assessment if it is to improve seismic safety, to install fire suppression or escape equipment or to accommodate disabled persons. An exclusion from assessment exists for newly constructed active solar energy systems (e.g., water heating, space conditioning, electricity production, etc.) completed on or after January 1, 1999 through January 1, 2025. Swimming pool and hot tub heaters, either solar or conventional, installed after January 1, 1999, are assessable at full cash value.

The various tax relief provisions summarized above are highly technical. Assesseees who believe they may be entitled to an assessment or reassessment exclusion, or that their property has declined in value, should contact the appropriate Assessor’s District Office.

## SUPPLEMENTAL ASSESSMENTS

Proposition 13 introduced the policy of reassessment upon change of ownership or completion of new construction. The statutes in effect at the time of its enactment, however, only permitted the new base year values to be enrolled as of the first lien date (March 1 or January 1) following the reappraisable event. Subsequent legislation (Senate Bill 813 effective July 1, 1983) has required the Assessor to enroll the new base year value almost immediately. The difference between the old base year value, including its adjustment for inflation, and the new base year value is the “supplemental assessment.” The difference can be either positive or negative. The supplemental assessment (or tax refund, if value has declined) is prorated based on the number of months remaining in the fiscal year, which runs from July 1 through June 30. The lien for supplemental taxes attaches on the first day of the month following the month in which the reappraisable event occurs. When supplemental taxes are triggered by a change in ownership, they are billed to the new owner. Supplemental refunds are paid to the new owner since taxes based on the previous assessment year are typically prorated in escrow.

Supplemental tax bills are sent directly to the property assessee, even though there may be a tax impound account with a mortgage lender. An assessee who receives a supplemental tax bill should not expect the lender to pay it from the impound account, unless the lender has specifically stated it will do so.

#### PROPOSITION 19: IMPORTANT CHANGES TO FAMILY TRANSFER (PROP. 58/193) AND TRANSFER OF PROPERTY TAX BASE (PROP. 60/90/50/171)

On November 3, 2020, California voters approved Proposition (Prop.) 19 (Assembly Constitutional Amendment 11, Stats. 2020, res. ch. 31), the Home Protection for Seniors, Severely Disabled, Families, and Victims of Wildfire or Natural Disasters Act. Prop. 19 adds sections to the California Constitution which changes the rules on the parent-child and grandparent-grandchild exclusions (formerly known as Prop. 58/193). It also adds new provisions for a base year value transfer of a principal residence for persons at least age 55 or severely disabled (formerly known as Prop. 60/90), or victims of wildfires and natural disasters (known as Prop. 50/171).

For more information, please visit the Los Angeles County Office of the Assessor's website page on Prop. 19 at <https://assessor.lacounty.gov/real-estate-toolkit/proposition-19>. You can also find information through the California State Board of Equalization's website located at Proposition 19 – Board of Equalization (ca.gov) <https://www.boe.ca.gov/prop19/> or contact the Property Tax Department at (916) 274-3350, or e-mail at [PTWebRequests@boe.ca.gov](mailto:PTWebRequests@boe.ca.gov).

#### PERSONAL PROPERTY ASSESSMENT AND TAXATION

Personal property assessment and taxation is different from real property because of different assessment laws, and because of the different nature of personal property. Unlike real property (assessments of land, improvements, and fixtures), Proposition 13 does not apply to personal property. Except for the fact that the tax rate is derived from the real property tax rate, the proposition has no impact on personal property taxation.

Personal Property is all property not specifically exempted by the Legislature that may be seen, weighed, measured, felt or touched, or which is in any manner perceptible to the senses except real estate and is capable of private ownership.

Unlike real property, the Legislature may, by a two-thirds vote, exempt personal property from taxation without specific approval of the electorate. The Legislature has used its authority to exempt large classes of property, such as business inventories, and to sharply limit assessment of others, such as certain documented vessels.

Personal property typically depreciates in value; therefore, assessments and taxes on the same personal property will likely decline from year to year. When an assessee receives a tax increase, it is usually the result of added property or the replacement of old property with new.

Assessments of personal property are based on either a visual appraisal or information reported by the assessee on the annual *Business Property Statement* (Form BOE-571-L). Persons owning \$100,000 or more in taxable personal property are required by law to file a property

statement with the Assessor. Every person owning personal property that does not require the filing of a property statement shall, upon the request of the Assessor, file a signed property statement. The property statement is to be filed between January 1 and May 7. If May 7 falls on a Saturday, Sunday, Los Angeles County holiday, or if the deadline is otherwise extended by law, the filing deadline will be extended to the close of business on the next business day.

Failure to file a property statement when required by law or requested by the Assessor, and/or willful or fraudulent concealment of property causing an escape of taxes may result in penalties. The Assessor shall annually conduct a significant number of audits of the books and records of taxpayers engaged in a profession, trade, or business, who own, claim, possess, or control locally assessable trade fixtures and tangible business personal property within the County.

### EXEMPTIONS

California law provides for several property tax exemptions. Real property exemptions must be specifically set out in the Constitution, but the Legislature may, by a two-thirds vote, enact exemptions of personal property without specific constitutional authority.

Real property exemptions are available to qualifying property and owners, including homeowners, veterans, disabled veterans, churches and certain other religious facilities, colleges, charitable institutions, cemeteries, and consulates.

Personal property exemptions include government bonds, vessels of more than 50 tons burden used in the transportation of passengers or freight, business inventories, household furnishings, mortgages, personal property of various qualifying nonprofit entities, works of art, historical aircraft, cargo containers, and numerous others.

Generally, real and personal property owned by federal, State, and local government entities are exempt. Privately owned property leased to the government may be exempt in some cases.

Property tax exemptions may be total (e.g., business inventories) or partial (e.g., homeowners). Most exemptions apply only to *ad valorem* property taxes, but not to special or direct assessments, so an exempt property owner may still be billed for such charges. Exemptions are subject to rigid filing deadlines. Assesseees who believe they are eligible for specific exemptions should contact the Office of the Assessor immediately to obtain information.

The following is general information on commonly used exemptions:

Homeowners: The homeowners' exemption, up to a maximum of \$7,000 of assessed value, is granted to the eligible owner of a dwelling they occupy as their principal place of residence on the lien date. To be eligible, the claimant must be an owner or co-owner of the property or the purchaser named in a contract of sale. The dwelling may be any place of residence subject to property tax. A dwelling does not qualify for the exemption if it is rented, vacant, under construction, and unoccupied, or the vacation or secondary home of the claimant. Once granted,

the exemption remains in effect until terminated. Once terminated, a new claim must be filed with the Assessor to regain the exemption. The assessee is responsible for notifying the Assessor that they are no longer entitled to the exemption.

Veterans: If you are a single veteran with assets of less than \$5,000, a married veteran with assets of less than \$10,000, or an unmarried surviving spouse of an eligible veteran, you may apply for the veterans' exemption of \$4,000 applied to the assessed property value. Although it is unnecessary for the veteran to reside on that property in order to qualify, this exemption claim must be filed every year.

California property tax law also provides for an exemption of assessed value to property which is the principal residence of a veteran or the unmarried surviving spouse of a veteran who, because of injury or disease incurred in military service, is blind in both eyes, has lost use of two or more limbs, or is totally disabled. The following exemption levels and income limit apply to claims filed by February 15, 2024 for FY 2023-24. The claimant may be eligible for an exemption of up to \$169,769 if totally disabled (as defined by the United States Veterans Administration). Where household income for the prior year did not exceed \$76,235, an exemption of assessed value of up to \$254,656 is available. Once granted, the \$169,769 exemption remains in effect until terminated. Annual filing is required where the \$254,656 exemption is claimed.

Beginning in FY 1994-95, the disabled veterans' exemption includes the unmarried surviving spouse of a person who as a result of a service-connected injury or disease, died while on active duty in the military service and served in time of war or in time of peace in a campaign or expedition for which a medal has been issued by Congress.

Religious Uses: All buildings, including buildings under construction, and equipment used solely and exclusively for religious worship, including the land on which they are situated, and which is required for the convenient use and occupation of the buildings, may be exempted. No exemption is allowed on parsonages except under the welfare category. Properties used for religious purposes are not exempt from special and direct assessments.

Welfare: Organizations operating as non-profit, charitable groups may request an exemption on property *owned* and *used* by the organization. This category is available for charitable, educational, hospital, scientific, and religious organizations meeting the requirements of Section 214 of the California Revenue and Taxation Code.

## MISCELLANEOUS INFORMATION

Assessment Appeals: Assesseees have the right to appeal the assessments on their property to the Assessment Appeals Board. The Board is not a part of the Office of the Assessor. It is established under the authority of the Board of Supervisors. It has jurisdiction to resolve disputes about property values and closely related matters only. Assesseees present their cases to a formal three-person board or in some cases to a hearing officer. Assesseees who believe their assessments are incorrect should contact the Assessment Appeals Board at (213) 974-1471 for further information about filing an appeal. Information is also available on their website at <https://bos.lacounty.gov/services/assessment-appeals>.

Taxpayer Obligations: The Assessor is authorized by law to require assesseees to provide information necessary to make an accurate assessment. Some specific examples are the *Preliminary Change of Ownership Report (PCOR)*, *Change of Ownership Statement (COS)*, and *New Construction Statement (NCS)*.

- **Preliminary Change of Ownership Report (PCOR):** The PCOR may be filed with the Registrar-Recorder/County Clerk (Recorder) whenever a document affecting title to real property is recorded. If the Report is not filed at this time, the Recorder will charge a fee of \$20.00, and the assessee will later need to file a COS directly with the Assessor.
- **Change of Ownership Statement (COS):** Anyone acquiring an interest in real property who did not file a PCOR must file a COS with the Assessor within 90 days of the date of the change in ownership. Failure to file a COS following demand by the Assessor will result in a penalty of not less than \$100 or more than five thousand dollars (\$5,000), if the property is eligible for the homeowners' exemption, or twenty thousand dollars (\$20,000) if the property is not eligible for the homeowners' exemption, and if that failure to file was not willful. This penalty becomes a lien on the property in question, legally equivalent to the lien for property taxes.
- **New Construction Statement (NCS):** Property owners who take out a building permit to make additions or alterations to their property may receive an NCS form from the Assessor. Information about the construction must be provided, and the form returned as indicated. Failure to return the form may result in penalties.

Assessor Personnel Identification: Occasionally, it is necessary for an appraiser from the Office of the Assessor to visit and physically inspect property for assessment purposes. Appraisers carry photo identification cards. No person claiming to work for the Office of the Assessor should be admitted to an assessee's property if he or she cannot produce such identification. No assessee is required to admit an appraiser to any property not open to the public generally, although cooperation is ordinarily to the benefit of both the assessee and the Assessor.

Inspection of the Assessment Roll: The Assessment Roll is a public record, open to inspection at all times during regular business hours in all offices of the Assessor. It is displayed on property database files. The new roll is completed each year in July or August, and is available for inspection upon delivery to the Auditor-Controller. Since completion dates vary somewhat from year to year, interested parties should inquire before coming to the office as to whether the new roll is available.

Tax Rate Areas: Each property is subject to taxation by a number of taxing entities; the County, typically a city, one or more school districts, and various other districts. The Auditor-Controller groups all properties subject to taxation by the same entities into Tax Rate Areas (TRAs). The TRAs are numbered, and appear on each tax bill following the Assessor's Identification Number. There are 13,153 TRAs in Los Angeles County.

Property Tax Postponement Program for Senior, Blind, or Disabled Citizens: The State Controller's Property Tax Postponement (PTP) Program returned in 2016 after being suspended by the Legislature in 2009. The program allows homeowners who are seniors, blind, or have a disability to defer current-year property taxes on their principal residence if they meet certain criteria, including at least 40% equity in the home and an annual household income of \$51,762 or less for the 2023 calendar year.

The California State Controller's Office announced that homeowners throughout California may apply for Property Tax Postponement for the 2023-24 tax year by February 12, 2024.

A postponement of property taxes is a deferment of current-year property taxes that must eventually be repaid. Repayment is secured by a lien against the property.

Funding is limited and distributed on a first-come, first-served basis. Due to funding limitations, all who qualify may not be approved.

Property Tax Postponement applications are available on the State Controller's website at [https://www.sco.ca.gov/ardtax\\_prop\\_tax\\_postponement.html](https://www.sco.ca.gov/ardtax_prop_tax_postponement.html). If you prefer to have an application mailed to you, please call (800) 952-5661 or e-mail [postponement@sco.ca.gov](mailto:postponement@sco.ca.gov).

**California Mortgage Relief Program:** Beginning March 31, 2023, the California Mortgage Relief Program is raising the limit for assistance with delinquent property taxes from \$20,000 to a maximum of \$80,000 per household. For information about special assessments for municipal public works, contact the city clerk for the city making the assessment. You may also obtain contact information on the Auditor-Controller's website at <https://auditor.lacounty.gov/direct-assessments/>.

Redevelopment Agency (RDA) Dissolution: On June 28, 2011, the Governor signed ABx1 26 into law, adding Parts 1.8 and 1.85 to the Health and Safety Code. On December 29, 2011, the California Supreme Court released its decision in California Redevelopment Association et. al. v. Matosantos, upholding ABx1 26. As a result, effective February 1, 2012, all RDAs were dissolved, and successor agencies, as defined by the law, were required to be appointed to oversee the distribution of tax proceeds that would have been paid to the RDAs. The successor agency is the sponsoring community of the RDA, unless it elects not to serve in that capacity. In that case, pursuant to California Health and Safety Code Section 34173, the successor agency will be the first taxing entity submitting a duly adopted resolution to the County Auditor-Controller electing to become the successor agency. The successor agencies have various legal requirements imposed on them by ABx1 26, and their actions are subject to the review of oversight boards, which are also created by the new law.

## DUE DATES AND PAYMENT OPTIONS

### SECURED TAX ROLL

Secured property taxes are a lien against real property. Tax levies cover fiscal year period of July 1 to June 30; for instance, the 2023 tax levy is for FY 2023-24. Taxes on the secured roll for FY 2023-24 become due and payable to the Treasurer and Tax Collector as follows:

Your tax bill has two payment stubs. The 1st installment payment is due on November 1 and becomes delinquent by the close of business on December 10. The 2nd installment payment is due on February 1 and becomes delinquent by the close of business on April 10. If the delinquency date falls on a Saturday or Sunday, by law, the Treasurer and Tax Collector extends the delinquency date to the close of business on the next business day. If the Treasurer and Tax Collector does not receive your payment by the delinquency date, or if the United States Postal Service (USPS) does not postmark your payment on or before the delinquency date, the Treasurer and Tax Collector will impose a 10% penalty on each installment and a \$10.00 cost on the 2nd installment per State law. The California Revenue and Taxation Code (R&TC) grants the Treasurer and Tax Collector the authority to cancel penalties in limited circumstances. Please refer to <https://ttc.lacounty.gov/penalty-cancellation-request-2/> for information on how to apply for a penalty cancellation.

In addition, any taxes remaining unpaid on June 30 will be transferred to the Secured Defaulted Tax Roll. On July 1, the Treasurer and Tax Collector will impose a \$15.00 redemption fee and penalties at the rate of 1.5% per month on the unpaid base tax amount until paid in full.

**Pay Online** - To make payments online, go to <https://www.propertytax.lacounty.gov>, and select "Pay Property Taxes Online." You can make online payments 24 hours a day, 7 days a week, up until 11:59 p.m. Pacific Time on the delinquency date. Please note that you cannot make online payments for installment plans (Four-Pay and Five-Pay Plans).

**Pay by Electronic Check - There is no cost to you for electronic check (eCheck) payments, and you receive instant confirmation.** The Annual Secured Property Tax Bill contains your Assessor's Identification Number (AIN), which you will need to complete the transaction. Each eCheck transaction is limited to \$999,999.99.

When paying by eCheck, your bank account must be Automated Clearing House (ACH)-enabled, meaning the transaction can settle through the ACH Network. If your bank account has a debit block to prevent unauthorized organizations from debiting your account via ACH, you must notify your bank to authorize ACH debits from Los Angeles County with a debit filter with the Company Identification Number of **0 0 0 0 7 9 1 6 1**.

**Pay by Credit or Debit Card Online** - You may also pay online by using major credit cards or debit cards. Each online credit/debit card transaction is limited to \$99,999.99, including a service fee, currently 2.22% of the transaction amount (minimum \$1.49 per transaction).

**Pay by Credit or Debit Card over the Telephone** - We accept major credit and debit card payments over the telephone for current year taxes only. To pay by telephone, call toll-free (888) 473-0835. The Annual Secured Property Tax Bill contains your Assessor's Identification Number (AIN), Year, and Sequence, which you will need to complete the transaction. Each credit/debit card transaction is limited to \$99,999.99, including a service fee, currently 2.22% of the transaction amount (minimum \$1.49 per transaction). Please note that you cannot make payments for defaulted taxes or installment plans (Four-Pay and Five-Pay Plans) over the telephone.

**Pay by Mail** - Please return the appropriate payment stub(s) with your payment in the envelope provided from your tax bill. **If paying both installments, please include both payment stubs.** Checks, money orders, and cashier's checks must be drawn in U.S. currency and made payable to the Los Angeles County Treasurer and Tax Collector. Do not include cash in the envelope. Do not attach staples, clips, tape, or correspondence. You must mail property tax payments to the Los Angeles County Treasurer and Tax Collector, Post Office Box 54018, Los Angeles, California 90054-0018. **Do not mail your payments to any other address.** Property tax payments must be received, or USPS postmarked by the delinquency date to avoid penalties. To assist taxpayers in understanding how to avoid penalties that could result from postmark issues, we have compiled important information on how to "Avoid Penalties by Understanding Postmarks." Visit our website at <https://ttc.lacounty.gov/avoid-penalties-by-understanding-postmarks>.

**Pay in Person** - We provide in-person services at the Kenneth Hahn Hall of Administration. We accept cash, check, money order, cashier's check, and major credit cards and debit cards at 225 North Hill Street, First Floor Lobby, Los Angeles, CA 90012, between 8:00 a.m. and 5:00 p.m. Pacific Time, Monday through Friday, excluding Los Angeles County holidays. Each in-person credit/debit card transaction is limited to \$75,000.00, including a service fee, currently 2.22% of the transaction amount (minimum \$1.49 per transaction).

**Online Banking or Bill Payment Services** - We DO NOT recommend using these services to pay property taxes. The USPS does not postmark the envelopes these firms use to mail us the payment. In the absence of a postmark, we determine penalties based exclusively on the date we receive payment.

#### PROPERTY DEFAULTED FOR NON-PAYMENT OF TAXES

A list of tax-defaulted properties is published in local newspapers in the delinquent taxpayer's area on or before September 8, each year following the 1st year of default. The publication will state the date when the properties were tax defaulted for non-payment of property taxes and the amount due at the time of the publication.

Residential or agricultural properties become subject to the tax collector's power to sell (STPTS) when any portion of the defaulted taxes remain unpaid for five or more years. Commercial properties or unimproved vacant residential lots become STPTS when any portion of the defaulted taxes remain unpaid for three or more years. Properties that become STPTS will be

offered for sale at a public auction if the outstanding property taxes, fees, and penalties are not paid in full.

On or before June 8, the Tax Collector will publish in local newspapers the list of properties, and the owners' names, becoming STPTS on July 1, except those properties for which the owner has opened a Five-Year Installment Plan of Redemption.

#### REDEMPTION PENALTIES

If the current year's property taxes are not paid in full by June 30, the property taxes default on July 1. State law imposes a one-time \$15.00 redemption fee on July 1. In addition, a monthly penalty of 1.5% of the unpaid base tax amount begins to accrue on the first day of each month and will continue each subsequent month until the defaulted property taxes, redemption fee, and monthly penalties are paid in full.

If a property becomes STPTS and the taxes continue to remain unpaid to the point where the County prepares the property for auction, any auction-related costs, such as notices and publications, will be added to the outstanding taxes due.

Once a property becomes STPTS, payments must be made in cash, cashier's check, or bank-issued money order. Payments made using non-bank-issued money orders, personal or business checks will be returned to the payer uncashed.

#### INSTALLMENT PLAN OF REDEMPTION FOR SECURED PROPERTY

The Installment Plan of Redemption (Five-Pay Plan) is available if you are unable to pay your defaulted taxes in full. The plan allows you to pay your defaulted taxes over a five-year period. You may open an account after the property is defaulted but before the fifth year following the defaulted date for residential or agricultural properties and the third year following the defaulted date for commercial properties or unimproved vacant residential lots, or prior to the property becoming STPTS on July 1. Please visit our website at <https://ttc.lacounty.gov/property-tax-installment-plans/> to download and complete an application.

To open an account, you must pay a \$75.00 fee and a minimum of 20% of the total amount necessary to redeem –AND– you must pay your current taxes on or before April 10. Interest is computed at the rate of 1.5% per month on the unpaid balance.

**THERE WILL BE A \$75.00 FEE CHARGED EACH TIME A FIVE-PAY PLAN IS OPENED.**

**TO KEEP THE PLAN FROM DEFAULTING, YOU MUST PAY THE ANNUAL PAYMENTS OF 20% OR MORE, OF THE REDEMPTION AMOUNT, PLUS INTEREST –PLUS– YOUR CURRENT TAXES. IF YOU FAIL TO MAKE EITHER ONE OR BOTH OF THESE PAYMENTS ON OR BEFORE APRIL 10 OF EACH YEAR, YOUR ACCOUNT WILL DEFAULT.**

Any payment instrument which is not honored by the bank (including a stop payment order) will automatically default the account. You may pay the total unpaid balance, plus accrued interest of 1.5% per month, any time before the fifth and final payment is due.

If your account defaults for any reason, all prior amounts paid will be considered partial payments and credited toward prior year delinquent taxes and cannot be used as a credit for reopening another Five-Pay Plan. If eligible, you may open a new Five-Pay Plan after July 1 of the following fiscal year. Partial payments are applied in the following order: State mandated fees, costs, redemption penalties/interest and tax, according to the oldest tax due. Payments for prior year taxes will not change the status of the tax default year, nor impact the status of property that is deemed STPTS, after the property is defaulted but before the fifth year following the defaulted date for residential or agricultural properties, and the third year following the defaulted date for commercial properties or unimproved vacant residential lots.

**Please note that current year Annual Secured Property Taxes are not eligible for this payment plan.**

### UNSECURED TAX ROLL

Unsecured (Personal) Property Taxes are due to the Los Angeles County Treasurer and Tax Collector, as of the lien date, which is January 1 of each year. Typical items assessed and collected on the unsecured tax roll include watercraft, airplanes, business property, and escaped and supplemental assessments against former owners of real property. These taxes become delinquent if payments are not received or United States Postal Service (USPS) postmarked by August 31. If August 31 falls on a Saturday, Sunday, or Los Angeles County holiday, by law, the Treasurer and Tax Collector extends the delinquency date to the close of business on the next business day. After the delinquency date, a penalty of 10% and collection costs are assessed. If these taxes remain unpaid by October 31, an additional collection fee will be assessed and a penalty of 1.5% per month will begin to accrue on the unpaid base tax amount. Additionally, a property tax lien will be filed against the owner of record. This lien prevents the assessee from recording real estate and loan transactions in Los Angeles County. In addition, most major credit reporting bureaus report these types of tax liens. For more information or to find out how to obtain a Release of Lien, contact the Treasurer and Tax Collector's Unsecured Property Tax Section at (213) 893-7935 or [unsecured@ttc.lacounty.gov](mailto:unsecured@ttc.lacounty.gov).

If you do not receive a tax bill by July 15, you should immediately contact the Treasurer and Tax Collector's Unsecured Property Tax Section at (213) 893-7935 or [unsecuredpayments@ttc.lacounty.gov](mailto:unsecuredpayments@ttc.lacounty.gov) to determine if a tax bill was issued. Pursuant to State law, you are liable for taxes and penalties for any unsecured personal property you own, even if you fail to receive a tax bill.

**Pay Online** - Pay your current year Unsecured (Personal) Property Tax payments online by electronic check (eCheck) or major credit and debit cards. You can make online payments 24 hours a day, 7 days a week up until 11:59 p.m. Pacific Time on the delinquency date.

You will need your checking account or credit/debit card information. Your Unsecured Property Tax Bill contains your Roll Year, Bill Number, and Personal Identification Number (PIN), which you will need to complete the transaction. Each PIN is unique to each Roll Year and Bill Number. Ensure you use the PIN that corresponds to each tax bill.

**There is no cost to you for eCheck payments, and you receive instant confirmation.** Each eCheck transaction is limited to \$999,999.99. When paying by eCheck, your bank account must be Automated Clearing House (ACH)-enabled, meaning the transaction can settle through the ACH Network.

If your bank account has a debit block to prevent unauthorized organizations from debiting your account via ACH, you must notify your bank to authorize ACH debits from Los Angeles County with a debit filter with the Company Identification Number of **0000079161**.

You may also pay online by using major credit cards or debit cards. Each online credit/debit card transaction is limited to **\$99,999.99**, including a service fee of 2.22 % of the transaction amount (minimum \$1.49 per transaction). For questions regarding online payments by credit/debit card, please e-mail us at [unsecuredpayments@ttc.lacounty.gov](mailto:unsecuredpayments@ttc.lacounty.gov).

Have your checking account information or your credit/debit card information available when you begin the online payment process. To make a payment now, go to <https://ttc.lacounty.gov/pay-your-property-taxes-unsecured/> and select "Make a Payment." There is a maximum of ten shopping cart items per transaction. If you have more items to pay than the allowable maximum, you must complete the current transaction first, and then you will be able to select additional items to pay.

For questions regarding online payments by eCheck or credit/debit cards, please e-mail us at [unsecuredpayments@ttc.lacounty.gov](mailto:unsecuredpayments@ttc.lacounty.gov).

**Pay by Mail** - Return the appropriate stub(s) with your payment in the envelope provided with your tax bill. Checks, money orders, and cashier's checks must be drawn in U.S. currency and made payable to the Los Angeles County Treasurer and Tax Collector. When paying unsecured taxes, be sure to write the Roll Year and Bill Number on your check.

**If your bank returns your check for any reason, there will be a \$33.00 service charge for unsecured taxes. The Treasurer and Tax Collector must receive a new check prior to the delinquency date, or penalties will apply as required by State law.**

**Pay in Person** - We provide in-person services at the Kenneth Hahn Hall of Administration. We accept cash, check, money order, and cashier's check at 225 North Hill Street, First Floor Lobby, Los Angeles, CA 90012, between 8:00 a.m. and 5:00 p.m. Pacific Time, Monday through Friday, excluding Los Angeles County holidays.

#### SERVICEMEMBERS CIVIL RELIEF ACT (FEDERAL)

The United States Code Annotated, Title 50, Sections 501, et seq., provide that:

Taxes and assessments accruing during the period of military service apply whether they are due prior to, or during, the period of such services. They also apply to personal property, money, credits, or real property owned and occupied for dwelling, professional, business or agricultural purposes by a serviceman at the commencement of the period of service and are still so occupied by his dependents or employees.

Enforcement by the collector is prohibited except by leave of court, which may be enforced up to six months after termination of the period of service. Although no longer required, an affidavit disclosing evidence that the property owner is entitled to benefits of the act should be filed in the office wherein taxes or assessments are collected.

Whenever any tax or assessment is not paid when due, such tax or assessment due and unpaid shall bear interest until paid, at the rate of 6% per annum, and no other penalty or interest shall be incurred by reason of such nonpayment. Any lien for such unpaid taxes or assessments shall also include interest.

Under provisions of the Federal Servicemembers Civil Relief Act, active military personnel, regardless of the duration of military service or financial status, qualify for a reduction in the interest charged on unpaid property taxes. The law further prevents the sale of tax-defaulted property. For more information, visit our website at <https://ttc.lacounty.gov/property-tax-relief-for-military-personnel>.

#### MUNICIPAL TAXES COLLECTED BY COUNTY

Sections 51500 to 51519 of the Government Code, for any city, and Sections 51540 to 51561, an alternative procedure for chartered cities, permit the levy and collection of city taxes by county officials. They also define the duties of certain city and county officers, provide for the consolidation and abolition of certain municipal offices, and fix the maximum compensation to be allowed for the services rendered to such municipality.

Under these provisions, the County of Los Angeles assesses property and collects the taxes for all of its 88 incorporated cities.

## DUTIES OF CITY AND COUNTY OFFICIALS

Any general law city, or chartered city if its charter so provides, may elect by ordinance adopted by the legislative body, or the electors, that the duties of assessing property and collecting taxes of the city shall be performed by the County Assessor and the County Treasurer and Tax Collector. A certified copy of such ordinance shall be filed with the County Auditor-Controller on or before the first Monday in February following the adoption of such ordinance.

On or before the third Monday in August, the Auditor-Controller must transmit to the legislative body of such city a statement in writing showing the total value of all property within each such city, as ascertained from the assessment books of the County. Thereupon, before September 1, the legislative body of such city shall fix the rate of taxes required on each \$100 assessed valuation, and immediately thereafter transmit to the Auditor-Controller a statement of such rate or rates so fixed by said body. The Auditor-Controller then computes and enters in the assessment book the municipal tax, using the rate fixed by the municipal board and the assessed value as found in such assessment book. Such taxes so levied are collected at the same time and in the same manner as county taxes. The amount thereof, is paid to the treasurer of the municipality by warrant of the Auditor-Controller.

## MISCELLANEOUS PROVISIONS

Other sections to which the reader is referred for further details provide for the collection of unpaid taxes, the abolishing of the offices of city assessor and tax collector, the duties of the treasurer, etc.

GENERAL INFORMATION -  
WHERE TO OBTAIN INFORMATION

Inasmuch as matters pertaining to the levy and collection of the various kinds of taxes must of necessity be handled by several departments of the County government, and in order that taxpayers seeking information may be served promptly and efficiently, the following suggestions are offered for their guidance:

1. ASSESSOR: Questions pertaining to valuations of property, church and veterans' exemptions, changes of assessment, etc., should be addressed to this office. All valuations are fixed by the Assessor and not by the Auditor-Controller. The assessment roll is prepared by the Assessor and as soon as completed, delivered to the County Auditor-Controller.

2. ASSESSMENTS APPEALS\*: Application forms for assessment appeals may be obtained, free of charge, from the Assessment Appeals Board, County of Los Angeles, Room B-4, Kenneth Hahn Hall of Administration, 500 W. Temple Street, Los Angeles, CA 90012; telephone number: (213) 974-1471. Questions concerning the appeals process are answered here as well.

Completed applications must be filed in a timely manner with the Assessment Appeals Board. The regular filing period is from July 2 through November 30. Applications to appeal Supplemental Assessments can also be filed within 60 days of the mailing date shown on the Supplemental Tax Bill.

The Assessment Appeals Board is not part of the Assessor's Office. Members of the Assessment Appeals Board are appointed by the Los Angeles County Board of Supervisors. The Assessment Appeals Board acts as the County Board of Equalization on behalf of the Board of Supervisors and conducts impartial hearings on property assessment disputes between assesseses and the County Assessor. All changes in assessments as a result of such hearings are reported monthly to the County Auditor-Controller.

3. AUDITOR-CONTROLLER: The County Auditor-Controller receives the assessment roll from the County Assessor and extends the taxes thereon, after which the extended roll is delivered to the Treasurer and Tax Collector for collection. Questions pertaining to district valuations, tax rates, tax levies, bond issues, bond requirements, etc., should be addressed to the County Auditor-Controller.

4. TREASURER AND TAX COLLECTOR: The Treasurer and Tax Collector prepares and distributes the tax bills. The amount shown thereon is taken from the extended roll in total. Questions pertaining to tax redemption's and tax sales should be addressed to the Secured Property Division of the County Treasurer and Tax Collector's office.

(\*) Reference: County of Los Angeles, Assessment Appeals: An overview, 1998. This booklet is published by the Board of Supervisors as part of the Assessment Appeals Public Education Program.

5. SPECIAL COUNTY DISTRICTS: Many inquiries for information relative to special districts of the County are misdirected, resulting in delay and annoyance to the taxpayer. Questions pertaining to matters other than taxation of the following special districts, should be addressed as shown:

**IRRIGATION DISTRICTS:**

Numerous inquiries have come to the Auditor-Controller's Office relative to Irrigation Districts formed by order of the Board of Supervisors under the provisions of Acts of the Legislature of the State of California, (Stats. 1887 and Stats. 1897, superseded by Division 11 of the Water Code). The Act of 1887 was repealed by the Act of 1897. The Littlerock Creek District was created under provisions of the Act of 1887; the other districts under provisions of the Act of 1897. In response to these requests, we have compiled a directory of the Irrigation Districts within Los Angeles County.

La Canada, Littlerock Creek, Palmdale, and Palm Ranch turned over the duties of Assessor/Collector to the County of Los Angeles and appear on the assessment roll of the County and are included in your County tax bill. Assessments for Kinneloa and South Montebello are levied and collected by officers of the districts and therefore is not included in your County tax bill. ## SCHOOL PURPOSES

Under the provisions of Proposition 13 as implemented by the legislature, property tax collections for Public Schools are limited to the following:

### Tax Allocation

School Districts, Community College Districts, and the County Superintendent of Schools each receive an allocation of the 1% General Tax levied by the County pursuant to Government Code Section 26912 along with cities, special districts, and the County. Each district's share of the levy is computed by the County in accordance with Revenue and Taxation Code Sections 95 to 100.

### Voted Indebtedness Levies

Section 1(b) of Proposition 13 authorized Community College and School Districts to continue to make Tax Levies for payment of interest and principal on indebtedness authorized by the voters prior to the implementation of Proposition 13. The levies are limited to amounts sufficient to make the repayments required by law. Such levies are made in accordance with the following statutes:

- (4) The rate for the Wiseburn Unified/Centinel Valley Union High School, Elections of 2016 and 2020 General Obligation Bonds was calculated using the combined valuations of Centinela Valley Union High School (Hawthorne, Lawndale, and Lennox) and Wiseburn Unified's non-residential properties.

## COUNTY IMPROVEMENT DISTRICTS

County Improvement Districts may be formed under the Improvement Act of 1911 or the Municipal Improvement Act of 1913. Once the district is formed, bonds may be sold in accordance with the Improvement Act of 1911 or the Improvement Bond Act of 1915.

The law permits the improvement of streets in the County, outside of incorporated cities, by the construction of curbs, sidewalks, gutters, pavements, sewers, ornamental lighting, etc. The cost of this work is assessed by the Board of Supervisors directly against the property affected. The owner of the property so assessed may pay the full amount of the assessment within 30 days after the assessment is recorded; otherwise, the costs automatically go to bond against the property.

1911 Act bonds are usually payable over 10 years, with equal principal payments due October 15 of each year and interest due each October 15 and April 15. The October 15 principal and interest payments are delinquent if not paid by the following December 1 and the April 15 interest payment is delinquent if not paid by the following June 1.

1915 Act bonds are usually payable over 20 years, with approximately equal annual payments included on the regular property tax bill. The property tax bill is billed in two installments each fiscal year, with the first installment due November 1 and delinquent if not paid by December 10 and the second installment due February 1 and delinquent if not paid by April 10.

Bonds may be paid in full at any time by paying the principal balance due on the bond with accrued interest to date and all penalties plus a premium of 3% to 5% of the outstanding principal.

C. I. 2659M is issued under the provisions of the Improvement Act of 1911.

C. I. 2661M is issued under the provisions of the Improvement Bond Act of 1915.
